Amendments to House Bill No. 172
1st Reading Copy

Requested by Representative Elsie Arntzen

For the House Fish, Wildlife and Parks Committee

Prepared by Doug Sternberg
February 3, 2009 (7:40am)

1. Page 1, line 13.

Following: "with a"

Insert: "diagnosed"

2. Page 1, line 20 through line 24.

Following: "(3)"

Strike: remainder of line 20 through line 24 in their entirety

Insert: "Each person who uses a provisional hunter safety and education certificate must be in the company of and assisted by the person's parent or guardian or by an adult designated by the person or by the person's parent or guardian when hunting and shall conduct all hunting within the terms and conditions of the license issued. A person who is accompanying and assisting a person with a disability must:

(a) have successfully completed a hunter safety and education course pursuant to 87-2-105(1);

(b) have as the sole priority the direct supervision of the person with a disability at all times; and

(c) be able to immediately intervene and control the firearm of the person with a disability at any time."

- END -

53-20-102 Definitions

Developmental Disability means a disability that:

- (a) is attributable to mental retardation, cerebral palsy, epilepsy, autism, or any other neurologically disabling condition closely related to mental retardation;
- (b) requires treatment similar to that required by mentally retarded individuals;
- (c) originated before the individual attained age 18;
- (d) has continued or can be expected to continue indefinitely;
and
- (e) results in the person having a substantial disability.

MONTANA HUNTER EDUCATION STUDENT TEST

This test consists of 80 questions. You must correctly answer **68 questions** (85%) to pass the test. Carefully read the following questions. Pick the best answer to each question and mark your choice on the answer sheet. *Do not write on this test—use the answer sheet!* Good luck!

Multiple Choice

1. The safest firearm to handle is the one that:
 - A. You believe has been unloaded
 - B. Is unloaded with the action open and the muzzle pointed in a safe direction
 - C. Is loaded with the safety on
2. The muzzle of your rifle is the end of the barrel where the:
 - A. Rifle is loaded
 - B. Scope attaches
 - C. Bullet exits the barrel
3. When you take a rifle out of a vehicle:
 - A. The muzzle should point in a safe direction at all times
 - B. The barrel of the firearm should come out first
 - C. The rifle should be loaded and the safety off
4. The safest way to carry your firearm in a vehicle is:
 - A. Loaded with the safety on
 - B. Unloaded in a case
 - C. Pointed out the window
5. Before your friend hands you his or her rifle to hold, he or she should always:
 - A. Point the muzzle in a safe direction, open the action, and check if the firearm is loaded
 - B. Look through the scope
 - C. Load it
6. When should you move the safety to the fire position?
 - A. Several minutes before firing
 - B. Just before firing
 - C. Whenever you start hunting
7. You are hunting and a deer runs between you and your hunting partner. You should:
 - A. Not shoot
 - B. Shoot the deer in the neck
 - C. Shoot the deer behind the front shoulder
8. Steel shot must be used when hunting
 - A. Ducks and geese
 - B. Turkeys
 - C. Blue Grouse

9. You are hunting with a friend who keeps pointing his shotgun in your direction. You should
- A. Ignore it—you don't want to hurt his feelings
 - B. Tell your friend what he is doing is dangerous, you don't like it, and you want him to point the muzzle of his gun in a safe direction at all times
 - C. Point your shotgun at your friend—he will get the idea and stop
10. The gauge or caliber on most firearms is stamped:
- A. Inside the chamber
 - B. On the trigger guard
 - C. On the barrel close to the action
11. You have been hunting all day and now you don't know where you are. What should you do first?
- A. Walk in the direction you think you came from
 - B. Eat all your food
 - C. Admit you are lost and stop, think, observe, and plan (S.T.O.P.)
12. What are ethics?
- A. Ways to poach wildlife
 - B. Laws made by the government
 - C. Personal standards by which a person lives and acts
13. To be a responsible hunter means that you:
- A. Can hunt whenever you want
 - B. Obey hunting laws and establish good personal hunting ethics
 - C. Remind others of your right to hunt
14. Which of the following firearm carries SHOULD NOT be used if someone is walking behind you?
- A. Shoulder carry
 - B. Elbow carry
 - C. Trail carry
15. A deer that you have been aiming at through your scope disappears into some brush. What do you do?
- A. Shoot at the point where you think it is
 - B. Fire a shot in the air to make it move into the open
 - C. Wait until you can positively identify the deer and can make sure that the shot is a clear and safe shot before firing
16. When turkey hunting, which of the following can be very dangerous?
- A. Wearing red, white, black or blue clothing
 - B. Sitting with your back against a large tree or rock and calling the bird to you
 - C. Identifying yourself by shouting when you see another hunter coming near you
17. Shooting at an animal that is standing on top of a ridge is:
- A. Safe at dawn or dusk because you can see the animal's silhouette clearly
 - B. Never safe because you cannot be sure what your bullet may hit on the other side of the ridge
 - C. Safe when another hunter is present
18. A "NO HUNTING WITHOUT PERMISSION" sign means that you can:
- A. Hunt there, the sign is only for hunters who do not live in Montana
 - B. Hunt there as long as the season is open and you have a license
 - C. Hunt only if you ask the landowner for permission first

19. The first thing you should do, after making sure your deer is dead is to:
- A. Field dress it
 - B. Drag it out of the woods
 - C. Cut out the day and month of your deer tag and attach it securely to the animal
20. A good hunter practices shooting his or her firearm to:
- A. Impress friends
 - B. Use up all his or her ammunition
 - C. Be sure that he or she can deliver a quick, clean kill when shooting an animal
21. When hunting, if you come to a gate you should:
- A. Open it so that other hunters can get through
 - B. Close it if it is open
 - C. Leave it the way it was when you came to it, whether open or closed
22. It is a good idea to tell others what your hunting plan is because:
- A. It lets them know where you are hunting and when you expect to be back
 - B. It can fool your friends into thinking you are hunting in one place while you are really in another place
 - C. It is a sure way to keep you from getting lost
23. If you want to signal for help the best way is to:
- A. Start yelling
 - B. Blow hard on a whistle 3 times
 - C. Blow hard on a whistle 5 times
24. The best place to obtain information about hunting seasons and rules is:
- A. A hunting magazine
 - B. A newspaper
 - C. Montana Fish, Wildlife & Parks' hunting regulations
25. Hunters can help maintain a positive image for all hunters by:
- A. Never being seen wearing bloody hunting clothing to town
 - B. Not bragging in public about how many animals they kill
 - C. Both A and B
26. Once you have passed hunter education, the age at which you are allowed to hunt big game animals in Montana is:
- A. 12
 - B. 13
 - C. 14
27. The hunting clothes most likely to help you avoid being accidentally shot by another hunter is:
- A. Camouflage clothing so other hunters cannot see you
 - B. At least 400 square inches of fluorescent hunter orange clothing above the waist so that others can see you
 - C. Lumberjack style clothing because you are out in the woods
28. When you go hunting, the best place to load a firearm is:
- A. At camp
 - B. When you enter your hunting area and are ready to hunt
 - C. Inside a warm vehicle

29. There are basic rules to follow to safely handle a firearm. Which one of the following is NOT a firearm safety rule?

- A. Always treat every firearm as if it were loaded
- B. Always be sure of your target and beyond
- C. Always keep your firearm loaded and ready to fire

30. Who is responsible for the safe handling of a firearm?

- A. The game warden
- B. The person holding the firearm
- C. Your hunting partner

31. You and a friend are hunting together and you come to a fence that you want to cross. The first and best thing to do is:

- A. Climb over the fence with your firearm in hand
- B. Hand your loaded firearm to your friend
- C. Open the action and unload your firearm(s)

32. A hunting firearm in the home should be:

- A. Unloaded and stored in a safe place separate from ammunition
- B. Stored anywhere in the house
- C. Loaded at all times

33. When you want to hunt on private land, you must:

- A. Always ask for and get the landowner's permission first
- B. Make all arrangements with the landowner ahead of time and follow the landowner's instructions
- C. A and B

34. A safe and responsible hunter:

- A. Shoots animals from the road
- B. Chases animals with a vehicle
- C. Never shoots towards buildings or livestock

35. What is the most important thing a hunter can do in Montana to ensure that we have wild animals to enjoy and hunt in the future?

- A. Feed all the animals
- B. Protect and maintain natural habitats
- C. Build more zoos

36. Most of the money for wildlife management in Montana comes from the sale of hunting licenses and a special tax on:

- A. Everything people buy
- B. Firearms and ammunition
- C. Homes and vehicles

37. The purpose of the hunter education course is to:

- A. Produce expert shooters
- B. Teach people how to be safe and responsible hunters
- C. Help hunters kill lots of animals

38. Hunter education is important because it:

- A. Reduces the number of hunting accidents
- B. Limits the number of hunters
- C. Makes money for instructors

39. When is it okay to be an irresponsible hunter?

- A. When nobody else can see you
- B. When your behavior doesn't hurt anyone
- C. Never

40. Fair Chase means that you as a hunter show:

- A. An interest in killing as many animals as possible
- B. Respect for the animals you hunt
- C. A desire to break the law

41. Whose responsibility is it to know hunting laws and regulations before you go hunting?

- A. Yours
- B. Your parents
- C. The leader of your hunting group

42. If you shoot at a deer and it runs out of sight, you should:

- A. Assume you missed the animal and keep on hunting
- B. Assume you hit the animal and follow it until you find it or are certain you missed
- C. Immediately shoot at another deer standing nearby

43. The most important thing you can do to make sure your game meat will taste good is:

- A. Cover up the animal with dirt or mud to keep it cool
- B. Properly field dress the animal and care for the meat while you're still in the field
- C. Immediately wrap the animal in plastic and field dress it later

44. "Muzzle control" means:

- A. Being sure the firearm is loaded
- B. Always pointing the muzzle of your firearm in a safe direction
- C. Keeping the safety on at all times

45. "Safe Zone of Fire" refers to:

- A. An area that is open to hunting
- B. The distance a bullet travels
- C. An area into which a hunter may safely shoot

46. If you carry a firearm and slip, stumble or fall, the most important thing for you to do is:

- A. Protect the firearm from damage
- B. Control the muzzle and keep it pointed in a safe direction
- C. Throw the firearm away from you

47. The marked end of the needle on your compass points in the direction of:

- A. West
- B. South
- C. Magnetic North

True/False

48. People who drink alcohol or take illegal drugs before or while hunting or shooting are a danger to themselves and others.

49. Hunting is a right, not a privilege.

50. Hunting is an important tool of wildlife management.

51. A bullet fired from a .22 caliber rifle can kill or injure a person who is over a mile away.

52. When a wildlife biologist talks about "carrying capacity," they are talking about the number of shells you can load in a shotgun.

53. What is beyond your target is not important as long as you are sure you can hit what you are aiming at.

54. A loaded firearm with the safety on will NEVER fire if accidentally dropped on the ground.

55. The future of hunting depends on the behavior of hunters today.

56. All hunters should know basic First Aid.

57. All fires must be put completely out and cold to the touch before you leave a campsite.

58. A responsible hunter reads the hunting regulations every year.

59. A hunting license allows you to hunt on private property without asking the landowner for permission.

60. It is legal for your friend to use your deer tag.

61. Wearing wet clothing in windy cold weather chills your body and can lead to hypothermia.

62. A person who is an accurate shooter may still be unsafe when handling a firearm.

63. Dirt, moisture, and heat are the three main reasons why meat spoils.

64. All big game hunters who use firearms must wear at least 400 square inches of hunter orange clothing above the waist visible at all times.

65. Even if a firearm is unloaded, the muzzle must still be pointed in a safe direction at all times.

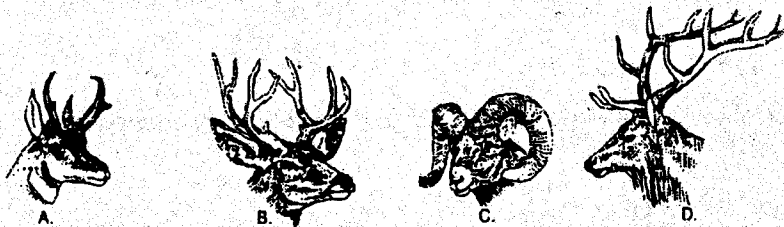

66. Loading a 20-gauge shell into a 12-gauge shotgun is a safe practice.

67. Whenever you go hunting, hiking, or camping you should always carry basic survival equipment and know how to use it.

68. In Montana, hunters under 14 years of age may hunt alone.

69. - 72. On your answer sheet list the four (4) basic rules of firearm safety.

73. - 76. On your answer sheet write down the name of each of the animals.

77. - 80. On the **back of your answer sheet** mark with a dot (●) the recommended spot for the best shot placement to deliver a quick, clean kill when shooting an animal.

Montana

Hunter Education Manual

*Montana Fish,
Wildlife & Parks*

Student Manual

Third Edition

Table of Contents

Chapter One

Hunting and Hunter Education..... 4

- What is the purpose of Hunter Education? 4
- Who is responsible for administering Hunter Education courses and managing wildlife in Montana? 6
- Why you hunt 6

Chapter Two

Hunter Responsibility

The Responsible Hunter..... 10

- What makes a hunter responsible? 10
- What are laws and regulations? 10
- What are ethics?..... 11

Chapter Three

Today's Firearms

Identification and Operation 16

- Basic parts of a firearm 16
- How do firearms work? 19
- Common features of firearms..... 19
- Differences between rifles, shotguns, and handguns..... 24
- Identifying and operating firearm actions..... 26

Chapter Four

Firearm Safety 31

- Basic firearm safety rules 31
- Accepting a firearm 31
- Loading and unloading a firearm..... 32
- Transporting, casing, and uncasing firearms .. 33
- Field carries 35
- Firearm safety in the field 36
- When is a shot safe? 39
- Cleaning and storing your firearm 40

Chapter Five

Understanding Ammunition 45

- Ammunition 45
- Choosing the right ammunition for your firearm 50
- Know your firearm's range..... 51

Chapter Six

Shooting Skills..... 54

- Why do you need marksmanship?..... 54
- Your dominant eye 55
- Rifle shooting skills..... 55
- Shotgun shooting skills 59
- Sighting-in your rifle and patterning your shotgun 61
- Where can you go to shoot? 62

Chapter Seven

Preparing for the Hunt and Outdoor

Safety..... 65

- What is physical fitness? 65
- Where can you hunt? 66
- Topographic maps and compasses 67
- Why do you need a plan?..... 69
- What should you wear in the field? 70
- Outdoor essentials: the rest of your gear..... 72
- First aid..... 73
- Extreme conditions..... 73
- Oops, you're lost! 77
- Water safety 79

Chapter Eight

Making the Shot and Afterwards ... 81

- What techniques can you use to hunt big game? 81
- Picking your shot..... 83
- Where should you aim? 83
- What to do after the shot 84
- Field care and transportation 87

Chapter Nine

Special Hunting and

Safety Concerns..... 91

- Tree stand hunting..... 91
- What about using all-terrain vehicles while hunting?..... 93
- Turkey hunting 95
- Hunting in bear country 97
- What should you do if attacked? 99
- Retrieving game meat out of bear country..... 99

Chapter Ten

Conservation, Wildlife Management, and Identification 102

- Respect for wildlife..... 102
- What is habitat, and why is it important? 103
- Wildlife management and conservation principles 105
- What is conservation, and how do hunters help? 106
- Wildlife identification 109

- Always point the muzzle of your gun in a safe direction.
- Always treat every gun as if it were loaded.
- Always be sure of your target and beyond.
- Always keep your finger off the trigger until ready to fire.
